Attorney Docket No: C51757-0680
Chevron File No. 210462US

In re Application of: **Matthew G. Thorn, Qing Yang, and Kumi C. Jayaratne**

As an above named inventor, I hereby **REVOKE** any and all powers of attorney previously given in the above-identified application and hereby **APPOINT** practitioners at **Customer Number 21658**. Further, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name. I believe that I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **CATALYST COMPOSITIONS FOR PRODUCING POLYOLEFINS IN THE ABSENCE OF COCATALYSTS** filed, November 21, 2003 and assigned Serial No. 10/720,024.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I do not know and do not believe that the same was ever known or used by others in the United States of America before my or our invention thereof, or patented or described in any printed publication in any country before my or our invention thereof or more than one year prior to the date of this application. I further state that the invention was not in public use or on sale in the United States of America more than one year prior to the date of this application. *I understand that I have a duty of candor and good faith toward the Patent and Trademark Office*, and I acknowledge the duty to disclose information which is material to patentability in accordance with Title 37, Code of Federal Regulations, §1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, §119 (a)-(d) of the foreign application(s) for patent or inventor's certificate listed below, and have also identified below any foreign application for patent or inventor's certificate disclosing subject matter in common with the above-identified specification and having a filing date before that of the application on which priority is claimed:
